Shop Portable Power Station 240Wh, 240W Mobile Power Generator with LiFePO4 Battery, 6 Ports Solar Generator with LED Light, Emergency Power Supply for Outdoor, Camping and ...

The way it works is that power from the solar panels will go to an "inverter", a box that then powers your house directly from the sunlight. If there is any power left over it can then charge your batteries. If, for any reason, your batteries get low due to clouds blocking out the sun, you can charge the batteries from the grid.

Highly economical with no fumes, no fuel and silent the HPS-1100 contains a lithium-ion battery that stores power for operating your appliances away from home and areas of no or limited power, the perfect travel ...

Please note that calling and texting from Barbados on your cell using roaming can be quite expensive. Of course if you have Skype, WhatsApp or similar apps on your phone, and you have WiFi access (which is readily available in Barbados), you can certainly use those to keep in touch. You can also choose to buy a prepaid SIM card in Barbados.
