Heguang Tongcheng is a "new face" in the photovoltaic industry, but the industry is no stranger ...

Heguang Tongcheng manufactures, produces, and sells high-efficiency crystalline silicon solar cells. Use the CB Insights Platform to explore Heguang Tongcheng's full profile. Heguang Tongcheng - Products, Competitors, Financials, Employees, Headquarters Locations

Heguang Tongcheng Photovoltaic Technology (Yibin) Co., Ltd. settled in Yibin in March this year, covering a total area of 926 mu. The company focuses on the manufacture, production and sales of high-efficiency crystalline silicon solar cells, and is a leading company in the photovoltaic industry in Yibin City.

Heguang Tongcheng manufactures batteries, provides technical services for solar power generation, and manufactures photovoltaic equipment.

Xie Yi, the founder of Heguang Tongcheng, has just turned 40 this year, but he is already a well-known "veteran" in the photovoltaic industry. Xie Yi joined Tongwei Group in 2011 and has been chairman of Tongwei (SH:600438) since 2019.

Heguang Tongcheng PV aims for 16 GW capacity in Phase I by 2023's end. ...

In September, Jinenu Solar had announced that it had started construction on its 3 GW module fab in Hexian Base (see China Solar PV News Snippets). Heguang Tongcheng PV Technology to hit TOPCon ...

Heguang Tongcheng Photovoltaic Solar Panels

Established in 2023, Heguang Tongcheng is a photovoltaic cell R& D and ...

Find company research, competitor information, contact details & financial data for Heguang Tongcheng Photovoltaic Technology (Yibin) Co., Ltd. of Yibin, Sichuan. Get the latest business insights from Dun & Bradstreet.

Menu

Heguang Tongcheng PV aims for 16 GW capacity in Phase I by 2023's end. Phase I of two 16 GW phases, started construction in May, showing rapid progress. The company is investing RMB 15 billion in Yibin High-tech Zone. Fully operational Phase I is expected to generate RMB 10 billion annually in revenues.

On September 28, the first solar cell of the first phase project of Heguang Tongcheng Photovoltaic Technology (Yibin) Co., Ltd. located in Yibin High-tech Industrial Park officially rolled off the production line.

Jiangsu Heguang Solar Energy Technology Co., Ltd., with an area of 150 million square meters, was established in 2021 and is committed to the R& D, production and manufacturing of solar module adhesive film. The company is equipped with advanced R & D, production and testing equipment, brings together a group of senior scientific and tec ...
