

# How long is the warranty for Lobamba inverter 50kw

How long do inverter warranties last?

Inverter warranties vary by manufacturer and inverter type. String inverters typically come with 10-12 years of warranty coverage, whereas microinverters and power optimizers are often covered for 25 years.

How long does a solar inverter last?

While the warranty terms for inverters themselves vary, warranties for communications equipment (which allow the inverter to connect to other devices like solar panels and battery systems) are typically capped at 5 years for both string inverters and microinverters.

What is a standard warranty on an inverter?

The date on which the product was first installed. 6 months after the date of production. Inverter has 5 years standard warranty by default. have an additional 5 years warranty without cost, when the conditions are met. Uniq, A-BP, A-TX, ESA, EM, ET, ET Plus+, ET15-30K, ET 50K, ET G2, EH, EH Plus+, EHR, EHB, BH, BP, BT, SBP, SBP G2 and series.

Are labor and shipping costs included in solar inverter warranties?

Labor and shipping expenses are generally not included in solar inverter warranties, but some of the strongest brands will cover one or both of these costs. Based on our ranking system, Hoymiles, SolarEdge, Tigo, SMA, and Enphase have the strongest warranties.

Does a solar inverter have a warranty?

Most solar inverter manufacturers leave workmanship (labor) warranties to the installer. Still, like labor and shipping costs, some manufacturers offer an extra safeguard by tacking on their own workmanship warranty coverage. When applicable, it's typically only an option if you work with specific installers in a manufacturer's certified network.

What happens if the inverter is damaged during the warranty period?

If the inverter is correctly installed according to the User Manual, when the type II DC SPD integrated in the inverter is damaged during the warranty period, GOODWE regards it as a type of inverter failure and provides the guarantee to send new spare parts to the customer. (Only for South American).
