

Japan Osaka Mobile Container Wholesale

Why should you choose OSG containers for shipping containers in Japan?

This being said the demand for shipping containers in Japan has grown over the years. OSG Containers brings the most economical solution for all your shipping container needs. Our local depot within Japan's key cities will give you the advantage to choose from our wide collection of 20-ft and 40-ft containers.

Why are shipping containers so popular in Japan?

Japan is one of the top countries that highly use shipping containers. In fact, all of the regions within Japan have a huge number of ports and harbours, making this country one of the busiest seaports in the world. This being said the demand for shipping containers in Japan has grown over the years.

What is an open top container?

Open Top containers allow for opening on the top of the container to enable the storage of bulky cargoes too large to fit the height of standard containers. "Soft" Open Top containers come with a detachable tarpaulin that can be lashed in place with cords through its eyelets.
