

Lithium battery pack factory direct supply

Where can I buy lithium-ion battery packs?

Dive into our online wholesale lithium-ion battery packs products catalog on globalsources.com! Source over 3762 lithium-ion battery packs for sale from manufacturers with factory direct prices, high quality & fast shipping.

How many batteries can a custom battery pack support?

Common materials can support one custom battery pack (MOQ=1PCS). However, if special materials are required, you will need to contact us for specific MOQs. Which rechargeable battery is better, NiMH or lithium?

Who is virtue battery pack manufacturer?

Virtue is a professional lithium battery pack manufacturer who focus on LiFePo4 battery development and OEM service for more than 15 years. We aim to provide worldwide clients with high-efficiency and cost-effective energy storage solutions for home, industrial, and commercial.

How many 12V batteries are in a 36V battery pack?

Two batteries are connected in series and the battery voltage is superimposed. So the battery pack with 2 12V cells in series is still 24V; the battery pack with 3 12V cells in series is 36V. From this, we can conclude that we only need to connect 3 12V batteries in 3S (3 series connection) to get a 36V battery pack.

Where can I buy a LiFePO4 battery?

GET FREE CONSULTATION! Virtue is a major professional lithium-ion battery supplier with more than 15 years in China. Main products including the LiFePO4 Drop-in Replacement Battery, Rack Mounted battery, Power-wall battery, Mobile Energy Storage Power Supply Trailer, and Portable Power Station, and any OEM custom battery projects are welcome.

What is a Li-ion battery cell?

The Li-ion battery cell is a compact and rechargeable energy storage solution. KET offers LFP battery pack flexibility in capacity, voltage, and size, making it ideal for different applications. KET is a professional battery pack solution provider for your every new project
