

Portable outdoor power supply in Osaka Japan

What is a portable power station?

That's why our preferred name for them is "portable power stations", a name that suggests they are one rank in size above power banks, which are primarily intended for mobile devices. 300W rated (330W peak) power output. 222Wh power capacity. USB x 3 and USB-C x 1. Two AC outlets. Will power most everyday electronics.

Where to buy camping gear in Osaka?

Now, camping is one of my hobbies. Today, I visited Alpen Outdoors, a shop specializing in camping gear and accessories. The shop I visited this time is the Namba Parks Shop in Namba, Osaka. This store just opened on June 24, 2022. Located in central Osaka, so the store is not that big, but it is large enough for an urban setting.

Is Jackery a good portable power station?

Although it was not a top pick, Jackery, the top seller of portable power stations, offers a full line of reliable, highly-rated portable power stations. In our judgement, our picks offer higher cost performance, but if you want more choices, Jackery's lineup is still worth checking out! Jackery Explorer 240 (240 Wh) (200 W rated, 400 W max.)

Is Snow Peak a good store in Osaka?

Located in central Osaka, so the store is not that big, but it is large enough for an urban setting. Products organized by brand (Logos, Snow Peak, Soto, DOD, Mont-Bell, etc.) and category (Tents, Foods, Campfires, Lighting, etc.) are easy to understand and appeal to customers, as well as increase customer tension.
